

EXPECTED STANDARDS OF CONDUCT AND DRESS

St. Anne's Catholic High School for Girls believes that all of its workers, visitors and volunteers are entitled to be treated by others in a way that respects their dignity (i.e. rights and feelings), and values them as individuals.

The School has a firm commitment to equality of opportunity and will not tolerate any form of discrimination, bullying, harassment, threats or abuse, by or against its visitors, workers and volunteers on grounds of race, sex, disability, religion or belief, sexual orientation, age, marital status or otherwise.

All visitors, workers and volunteers on School premises, or carrying out the business of the School off site, are expected to:

- behave in a controlled and dignified manner and avoid hostile, threatening or aggressive language and behaviour that may cause offence, attract unfavourable publicity or otherwise bring the name of the School into disrepute
- be neat, smart and professional in appearance (including traditional/national dress or appropriate personal protective clothing), and avoid 'casual' or revealing clothing, for example jeans, vests, shorts, trainers and flip flops
- ensure that make up, jewellery, body piercing, or tattooing is discreet and appropriate to the school environment
- no headwear except that associated with religious expression and/or traditional/national dress or appropriate personal protective clothing

Workers, visitors and volunteers who persist in behaviour contrary to the above principles may be asked to leave the premises or otherwise discontinue their engagement or association with the School. The Police may be informed where appropriate.

Thank you for reading this important information and for your help and co-operation in keeping the School safe for learning. We hope you enjoyed your visit to St. Anne's Catholic High School for Girls

SAFEGUARDING CHILDREN AND YOUNG PEOPLE

The School has a legal duty of care for the health, safety, security and wellbeing of all students and staff.

This duty of care incorporates the duty to 'safeguard' all students from subjection to any form of harm, abuse or nuisance.

You have a personal responsibility to comply with the School's safety policies to ensure your personal safety and that of others. These will be made available for your inspection on request, or can be found at:

www.st-annes.enfield.sch.uk

There can be no complacency where child protection and safeguarding procedures are concerned. Please follow this guidance and help us to keep the School safe for learning.

Ms Kaylea Vevers is our Designated Safeguarding Lead and should you hear or see something that gives you cause for concern regarding the safety of a student, please report this immediately to Reception or in writing to: VeversK@st-annes.enfield.sch.uk

FIRE SAFETY

In the event of a fire or emergency evacuation, please follow the emergency evacuation procedures which are displayed in prominent positions around the school (please request a paper copy for those working outside of the building).

A prolonged electronic sound of the fire alarm signifies an emergency evacuation of the premises.
