T Levels – what are they?

Technical levels are new qualifications, examined nationally for the first time in 2022

- They are:
- ➤ Equivalent to 3 'A' Level qualifications
- ➤ Directly linked to future employment through higher apprenticeships or straight into employment
- ➤ More hands on than academic qualifications They consist of:
- ➤ Scenario based teaching
- ➤ 3 months of work placement
- ➤ Learning employability skills (specific and general)
- ➤ Different assessment styles (not just exam based)

Apprenticeships

Name	Level	Equivalent Educational Level	Entry Requirements
Intermediate	2	GCSE	English and GCSEs at 3 or above
Advanced	3	A Level	English and maths at 4 or above (other specialist L2 qualifications also might be required)
Higher	4,5,6 & 7	Foundation degree and above	Entry requirements may vary dependant on subject area
Degree	6 & 7	Bachelor's or master's degree	

How do I decide?

Even if you have a clear idea about what you would like to do in the future, always have a plan B

Things to consider

- What subject do you enjoy and are good at?
- Entry requirements v predicted grades
 - Assessment methods exam v coursework balance
- Get to know your personality and aspirations – look at websites such as Unifrog
 - Research - find out what a particular career involves.
- Talk to someone.
- Will transport be an issue?

Seek advice and information

- Talk to your careers Adviser (Mrs Lee) along with other staff in school
- Use these websites to help you understand your strengths/skills/aptitudes as a person Unifrog, START, icould.
 - How does the way you learn, fit with some of the courses on offer?
 - Look at college/school websites for information about courses
- Get to know and find out about transferable skills that you can use in the future.
