

ST. ANNE'S CATHOLIC HIGH SCHOOL FOR GIRLS

" Act Justly, Love Tenderly, Walk Humbly With Your God "

BTEC L3 Fashion & Clothing

Yr 12 Transition Work

New Fashion & Clothing students should read through brief thoroughly.

Complete the following tasks:

- 1. Produce an in depth brainstorm of the theme which is 'Contained' (Double page: A3)*
- 2. Produce a moodboard on the theme. Include inspirational imagery, artist/designer work (all imagery must link to theme)*
- 3. Choose and present the work of 2 artist/designers whose work links to the theme 'Contained'.
Include visual examples of artist/ designer work and include annotations to state the following:-
a) Brief info on the artist/designer – name, background, source of inspiration.
b) What draws you to their work, what inspires you, how might they influence your own designs (when you come back you will be producing a final textile outcome)*
- 4. You need to be able to include primary research which is first hand and not from a secondary source. e.g sketches from a first-hand object/ your own photographs. It would be excellent if you could visit a gallery/ exhibition to find any work relating to the theme 'Contained'. Photos and sketches of this would be ideal. Or just get out and about and take inspiring photos or sketches of anything relating to the theme. Document all of this in your sketchbook with annotations.*
