

ST. ANNE'S CATHOLIC HIGH SCHOOL FOR GIRLS

GOVERNOR: ANNA FERDINAND

It has been a privilege to be part of the St. Anne's governing body for more than 12 years; firstly as a parent governor and now as a foundation governor. I am a mother of 2; my daughter left St. Anne's in 2009 for university and my son attended St. Ignatius College until 2011.

I am dedicated to serving the community and spent 25 years working for Local authorities in various management roles. Currently I am working as a Corporate Services Manager for a Charity in Camden.

As part of my governor role, I am using my background in finance and skills in people management to chair the Resources and Personnel Committee.

Outside of my working role I enjoy keeping fit by doing Yoga and Pilates and am a qualified fitness instructor.
