

ST. ANNE'S CATHOLIC HIGH SCHOOL FOR GIRLS

GOVERNOR: CARLTON FLEMING

Parent Governor, since 2008. Carlton was prompted to volunteer his time for this position, by a past pupil from his old secondary school. He felt this was another way in which he could not only support his daughter's education, but also get more of an insight into the running of a school and assist to provide the best possible learning environment.

He currently works for one of the largest bus operators in London, 'Metroline' and has been there for almost 20 years. His present role as a Senior Service Controller is to ensure 'quality bus services' are delivered to the public, which meets and preferably exceeds the contractual performance standards laid down by 'Transport For London'. In his leisure he enjoys spending time with his family, watching sports, playing football and going running with his daughter.

He would like to take this opportunity to encourage all parents to play an active role in their child's education. Teachers and parents must work hand-in-hand to enhance pupils overall school experience, as a teacher's job is a very challenging one.
