

# ST. ANNE'S CATHOLIC HIGH SCHOOL FOR GIRLS

GOVERNOR: **SUSAN PHAGOO**

My name is Susan Phagoo or known to many by Sue. I joined the team of Governors in December 2012 as Parent Governor. I have been serving as Foundation Governor for the last eleven years at my daughter's primary school, and she is now at St Anne's.

I think I have been given many opportunities in the past in helping to serve the needs of children and encouraging them to see the best in themselves. I have been fortunate to have met and encouraged many girls from the age of 5-12 years in the running of Brownies and Rainbows for the past nineteen years.

I am very active in my parish and serve my community as best as I can. My faith plays a vital part in my life as a Christian. Music is also very significant and is ever present in my family life, I end on this note with a song by Nat King Cole- "Smile".
