Jewellery in PE Lessons

- **All jewellery should be removed for PE.**
- Where an item of jewellery is considered a hazard and cannot be removed or made safe, then the pupil cannot take part in that part of the lesson.
- **If the pupil does not admit to wearing jewellery, but some body piercing is seen during the session, then from that point the pupil must remove, make safe or take no further part in aspects of the lesson that would put the wearer or others at risk.**
- Pupils must remove their own jewellery. Pupils who are unable to remove their own jewellery should not wear any on PE days.
