

ST. ANNE'S CATHOLIC HIGH SCHOOL FOR GIRLS

Act justly, love tenderly, walk humbly with your God

June 2024

Dear Parent/Carer,

Re: Hot Weather Precautions

Given this week's weather forecast, we understand that the heat can be quite challenging for our young learners. Therefore, we would like to offer the option for students to wear their PE kit to school if they wish for the duration of the week. This will allow them to feel more comfortable and ensure they can actively participate in their daily activities without feeling overheated.

In order to protect their skin from the sun's rays, we strongly recommend that students apply sunscreen before coming to school.

Additionally, we kindly request that all students bring a refillable water bottle to school. Staying hydrated is vital during hot weather, and we want to ensure that your daughter has access to water throughout the day. The water bottles can be refilled during break and lunchtime, enabling them to stay refreshed and focused during their studies.

We recommend your daughter having access to a sun hat that provides adequate coverage for her head, neck, and ears during PE lessons, breaks, and lunchtimes. Please ensure that her sun hat does not display any messages contradictory to the school's values.

Whenever possible, PE classes will be conducted in shaded areas or indoor spaces. In extreme heat, alternative activities will be arranged for your daughter in a classroom and students will be relocated to cooler classrooms whenever feasible.

Please be reminded that the expectations St. Anne's has of its students remain the same regardless of the weather conditions. We have confidence that our students will act sensibly and kindly towards themselves and others both within and outside the school.

If you have any questions or require further information, please do not hesitate to contact the school.

Thank you for your cooperation in this matter.

Yours faithfully,

Mr D Delaney
Assistant Headteacher

Headteacher: Mrs E. Loveland BA (Hons). NPQH

Upper School: Oakthorpe Road, Palmers Green, London N13 5TY
Lower School: 50 London Road, Enfield, EN2 6EL
