

ST. ANNE'S CATHOLIC HIGH SCHOOL FOR GIRLS

Act justly, love tenderly, walk humbly with your God

8 December 2021

Dear Parents and Carers

RE: Continuing to Learn 13 to 22 December 2021 – Year 11

I hope that you and your families are all safe and well.

We have now nearly come to the end of the first term of this academic year and had very much hoped to complete the term as close to "normal" as possible. However, staffing school safely has become challenging and therefore, for the continued safety of our Learning family, we will be regrettably moving to our 'Continuing to Learn' programme in a staggered approach. Whilst our buildings may be closed, our work as a learning family very much continues.

On remote learning days, teachers will deliver remote education through uploading work for each lesson Microsoft Teams. These lessons will take the form of:

- Task work/project work for individual completion
- Individual work set for an assignment due on Teams
- A combination of the above

Teachers might be available online. However, where a teacher is absent due to sickness, they will be able to answer queries, emails when they return back to work.

Your daughter will be in school as normal except for the dates listed below. On these days she will access her work through Teams.

Remote Learning days:

- **Monday 20th December**
- **Tuesday 21st December**
- **Wednesday 22nd December**

We hope that this change will help our Learning Family continue to learn and have a safe end to the term.

Yours faithfully
