

ST. ANNE'S CATHOLIC HIGH SCHOOL FOR GIRLS

Act justly, love tenderly, walk humbly with your God

20 April 2020

Dear Parents/Carers,

I hope you managed to have some rest over the Easter break. Welcome to our very first remote summer term!

We've all had to adapt to new ways of working, so I wanted to take the chance to say what an amazing job you're doing supporting your child's wellbeing and learning during this time.

It's definitely been a strange and challenging time, so it's understandable if you and your child feel somewhat anxious and frustrated at the moment. We're here for you every step of the way as we figure this all out together.

Remember, if you have any concerns about helping your child learn or you need any other support from school, please let us know by contacting the relevant member of staff, see table below:

Year Group	Director/AHT	Email

AL Sixth Form	Mrs C Cowley	cowleyc@st-annes.enfield.sch.uk

Students should also feel free to contact their Achievement Leader (AL) so they can help with any query or concern they may have.

We miss not having our girls in school, but we must continue to follow the government's guidance to keep everyone in our community safe.

From Wednesday 22nd April our 'Continuing to Learn Programme' will restart. Teachers will be ready to deliver lessons online and interact with their students. It is important that students do engage with this offer. At some point we will return to school and all students will sit assessments designed to see what progress has been made and where any gaps in knowledge and understanding exist so a targeted support programme can be put in place where necessary.

The Department of Education launched the Oak Academy today <https://www.thenational.academy/> and also additions to BBC Bitesize <https://www.bbc.co.uk/bitesize/dailylessons>. You may find this helpful and an additional source of support while home learning is taking place.

It is equally important to remind your child to take breaks away from screens and to also make time for having fun and connecting with friends and family.

While we can't say yet when we'll be able to open the school fully, rest assured that we'll continue doing our utmost to keep students learning and our Learning Family connected, please visit our website www.st-annes.enfield.sch.uk or twitter feed [@StAnnes_N13](https://twitter.com/StAnnes_N13) to stay up to date.

We are living through an unprecedented time, this national crisis is playing out against a backdrop of exceptional weather. I hope you will be able to make time for yourself, to find time to relax, to breathe in air which is cleaner and sweeter than ever before. Spring has definitely arrived, as the birds sing louder and foliage explodes the words of "Lady Bird" Johnson (wife of US President Lyndon Johnson) seem apt "Where flowers bloom, so does hope".

Remember Stay Safe, Stay at Home, Save Lives.

Yours sincerely
