

ST. ANNE'S CATHOLIC HIGH SCHOOL FOR GIRLS

Act justly, love tenderly, walk humbly with your God

September 2021

Dear Parent/Carer,

Re: Request for Design & Technology Support

I am delighted that all students within KS3 will have the opportunity to study Design and Technology (D&T) this academic year.

The programme of study is divided into three subject areas which are assessed individually and delivered via a carousel system. They include Food & Nutrition, Textiles as well as Graphic Design.

All three subjects enable students to be creative, giving them opportunities to view and solve problems more openly and with innovation. These subjects open minds which is so important for each student in our Learning Family.

To provide your daughter with as varied and broad an experience as possible, we are requesting a contribution of **£2.50** (per student) towards the cost of materials used in each subject area. Please be aware that students will still need to bring in some ingredients, as instructed by their teacher.

Your contribution will enable us to provide students with a more in-depth experience.

The deadline for contributions is Friday 15th October 2021.

This is an **annual** contribution and payments can be made via ParentPay. The D&T Department would also welcome donations of materials for example fabric, wool, thread, wood or acrylic.

As the year progresses, examples of students' work will be posted on our Twitter page and in our termly newsletter so you can see how we have made use of your donations and contributions.

Thank you for your ongoing support.

Yours sincerely,

Sophie Marcou
Subject Leader Design & Technology

Headteacher: Mrs E. Loveland BA (Hons). NPQH

Upper School: Oakthorpe Road, Palmers Green, London N13 5TY
Lower School: 50 London Road, Enfield, EN2 6EL
