

ST. ANNE'S CATHOLIC HIGH SCHOOL FOR GIRLS

Act justly, love tenderly, walk humbly with your God

10 January 2020

Dear Parents,

It gives me great pleasure to introduce myself as the new Headteacher of St. Anne's Catholic High School for Girls. I feel very privileged to have been appointed by the Governors and am absolutely delighted to have started in post.

The tremendous success St. Anne's has enjoyed did not materialise by accident, rather it has been through the hard work and dedication of staff, parents, Governors and Parishes. Pope Francis said "**The mission of schools is to develop a sense of truth, of what is good and beautiful**". St. Anne's is good and beautiful, our mission "*equipping students with the ability to meet the challenges of the 21st Century confidently, and with high spiritual and moral standards*" brings it alive. I very much want to ensure that remains the case and that the school continues to thrive by being a vehicle for change and self-improvement.

I look forward to working in partnership with you so that each of our girls can fulfil their potential, leaving us with strong interpersonal and higher-order cognitive skills. Many of the jobs our students will do, haven't even been invented yet! We need to do more than prepare our girls for that, we must future proof them!

The relationship we build with our parental community is key. As the 'prime educators' we owe our continued success to securing and retaining a strong partnership with all of our parents. Over the coming months I look forward to meeting and working with you to serve our young women with love and kindness.

Yours sincerely

Mrs E Loveland
