Year 13 Lessons

Dear Parents and Carers,

I sincerely hope that this letter finds you well. I am writing to you to inform you of our plans for Year 13. Under normal circumstances the A Level and BTEC exam season would have been beginning next week and your daughter would likely have been beginning some form of study leave for many of her subjects.

Now that those exams have been cancelled, we are keen to relieve pressure on our students as much as possible, whilst also supporting them to keep up with their studies in case they choose to sit exams in the autumn. We have decided that the following arrangements will be in place for this year group:

Until Friday 15 May: Online lessons will continue according to your daughter's normal timetable. Some A level subjects may continue with lessons for a week or two longer in order to complete all course content. Your daughter's teacher will let her know directly if this applies to her.

Until Friday 10 July: Teachers will set revision tasks and will be online and available for questions and queries once per week for each subject, according to the attached timetable.

Other forms of online support will continue as normal. I will be available online on Mondays at 3:30 each week to take student questions and your daughter should feel free to email me if she needs any further support.

Yours Faithfully,
